Exploring our Raki selections

At Hamsi Taverna, Rakı is more than a drink—it's part of the ritual. This classic Turkish anise spirit is best enjoyed with water, meze, and good company, setting the tone for long evenings and coastal flavors. Şerefe !

Turkish Coffee - \$6

Side of Turkish Delight

Bold, unfiltered, and steeped in tradition, Turkish Coffee is as much about ritual as it is about flavour. Thick and intense, it delivers a deep, lingering richness with every sip. Served alongside something sweet, it creates a perfect contrast of bitterness and indulgence. An experience to be savoured slowly, right down to the last drop.

Turkish Tea - \$3

A timeless ritual poured into a delicate glass, Turkish Tea is rich, smooth, and quietly comforting. Its deep amber colour carries a gentle bitterness balanced by warmth and clarity. Served simply, it invites slow moments and easy conversation. A true everyday classic, just as it's meant to be.
